If this method does not produce an outcome, lot will decide the ties.

## Prizes

The first 3 players in each category shall receive mementos presented by the RBGF  
The first 2 Belgian players in each category shall receive mementos presented by the RBGF

## Golf Course

The 18-hole Langeleed course has the features of a links course and is integrated into the sweeping West Flanders polder landscape that can be played on without a hitch basically all year round including on wet winter days. The aim is to ensure the course is kept in top condition so that those with a high handicap (as from HCP 35) also fully enjoy the experience.

The expansive water features inhabited by swans and very many species of waterfowl, the undulating greens and the very many strategically placed fairway and greenside bunkers form a challenge for players of all levels although they are, of course, attractive but should not be underestimated.

Usually, the fierce western wind is added to the mix that ensures that playing conditions are different every time. If you want to score here, having the correct strategy is important.
