Who Are We?

The **Royal Belgian Golf Federation** (RBGF) is a non-profit organization based in Sterrebeek, representing and supporting Belgian golf nationally and internationally.

Founding

The RBGF was founded in 1912 under the initiative of Edmond Solvay, then Captain of the Royal Golf Club of Belgium. In 2001, the RBGF underwent a major restructuring, leading to the creation of two regional associations: Golf Vlaanderen and the Association Francophone Belge de Golf (AFGolf), while national responsibilities remained within the RBGF.

Governance

The Governing Board is the highest authority of the RBGF. It consists of 8 members, 4 from Golf Vlaanderen and 4 from AFGolf. The federation is supported by a staff of six people and several specialized commissions.
