

ProGolfTour Invites Regulations 2026*

A total of **7 invitations** will be allocated to amateur players for each Pro Golf Tour event according to the following criteria:

1. **Top 4 WAGR-ranked Belgian amateurs** will each receive an invitation, provided they are available to compete.
 - If one or more of these players are unavailable, the invitation(s) will pass to the next highest-ranked available Belgian amateur on the WAGR.
2. **Top 3 players from the Federal Tour Ranking** will each receive one invitation.
 - If a player from the Federal Tour Ranking is unavailable, the invitation will pass to the next eligible player on that ranking.

If a player appears in **both rankings**, priority is given to the **WAGR**. In that case, the invitation is passed to the next eligible player on the WAGR.

The invites will be allocated on the **19th of August 2026**.
